Report of the Chair:

On October 23rd Paul Hilarion of 47 Oakland Ave came from his home in Sandy Hook with heavy duty equipment on a flatbed to remove our lifeguard stands and buoys to 19 Oakland Ave where the Portanova Family was kind enough to rent us space in their yard. Paul Hilarion was helped by his wife and daughter on a rainy Sunday. He refused to accept money for his work. Last year a contractor charged us \$1800.00.

On October 31st Teresa Sirico, Brian Logan Beirne and I met with Yolanda Cooley from DEEP who made a site visit to our beach. The Harbormaster, Assistant Harbormaster, and Mayor's Aide were also present.

A few weeks later we received an email from Yolanda Cooley saying they wanted an in-depth survey. We are waiting to hear from 2 surveyors with their quotes. It is not that easy to get surveyors who are willing to go into the water to complete the work.

Report of the Clerk:

absent

Report of the Treasurer:

The recreation copies will be made and the mailing should go out next week. The cost of copies and stamps went up so we are over budget on supplies. The accountant cost increased. No other questions on the YTD budget.

Joe Gullo made a motion to accept the budget

Lynn Ryczer seconded the motion

All in favor – motion passed

Old Business:

Waiting on the bids for surveyors. We were supposed to receive bids by today, but we did not receive them.

New Business:

Certified Lifeguards – are needed, if you know anyone. Regular lifeguard is \$16 per hour and Head lifeguard is \$17 per hour.
