3. Report of Chairman-
The walkways and entrances have been cleared.
We are getting bids to repair the fence. One idea is to bring in a dumpster the beginning of June and ask for volunteers to rake some sticks along the tideline and deposit them in dumpster.
On April 27th Sue Lussier and Bob Wortman led the project to beautify the main entrance to the beach at Odell Ave. with plants that would survive in the salt and sand. Thank you to all our neighbors who volunteered on the 27th to clean up our beach and plants along the fence.

5. Report of Treasurer :
