3. Report of Chairman-

Yolanda Cooley from DEEP reported that corrections must be made on our survey e.g. name of body of water, names of adjoining neighbors, renaming of survey. She now wants us to redo our application even though it was accepted in the fall. Our Attorney George Martelon will file a new application.

We need to purchase 3 new buoys that meet DEEP guidelines but Yolanda will not allow the buoys to be ordered until we have a permit.

We are looking to hire additional lifeguards for the summer.
